DR. F. BRANDON.

One of Lafayette's Most Prominent Citizens, Dead.

Death Was Due to Gastritis, From Which He Had Been a Great Sufferer.

Lafayette, Ky., June 8.—Our town and community is in mourning today on account of the death of one of her best citizens. Dr. Finis Brandon, who passed away at his home here at 10 o'clock this morning. Death was due to gastritis, from which he had been a great sufferer for some time.

Last winter Dr. Brandon was attacked by the grip, from which he never fully recovered. Three weeks ago he went to Dawson Springs and spent a week, in the hope that he might derive some benefit from the waters at that place. He remained a week, but there was little improvement in his condition and he was brought home. He continued to grow worse until Friday, when he began to sink rapidly and death came as above stated.

Dr. Brandon was one of our most substantial business men, a fine physician and good citizen. He would have been 48 years old in July next. In early life he joined the Methodist church and was a pious, christian gentleman. He will be greatly missed by the family and the community at large. He is survived by a widow and two sons. For several years he had been associated in business with his oldest son, R. W. Brandon, in this place. His youngest son, Carter, is only nine years of age.

Dr. Brandon enjoyed a wide popularity and he leaves many friends and relatives who deeply sympathize with the bereaved family. He was a native of Dover, Tenn., and was a brother of the Rev. W. C. Brandon, of the Louisville Conference.

Funeral services will be held at his late residence tomorrow afternoon at 3:30 o'clock by his pastor, Rev. W. C. Hays, and the interment will take place in Powell cemetery.

FOUND BY TRACK.

Sam Marlow Sustained Painful Injuries Near City.

Samuel Marlow, of near Weaver's Store, Tenn., was found near the L. & N. track, two miles south of the city, at an early hour Tuesday morning, with his face cut in several places. The man was brought here and given medical attention. While his injuries are of a very painful nature, he will recover. Marlow says that he joined Sells & Downs' circus at Clarksville and assisted in loading on the stock at that place Monday night. He claims that he was shoved or kicked from the train by a brakeman.

TOBACCO MARKET.

Both Receipts and Sales Heavy This Week.

Great activity prevailed on the local loose tobacco market during the past week and there was also something doing on the breaks. Private hogheads sales were large and the public sales were also fairly good. Prices realized were about the same as those quoted last week.

The loose sales on the floor by R. M. Woodridge & Co., were the best of the season. Something near 300,000 pounds were disposed of on the floor. The market on leaf was steady. Lugs were active, but the ruling prices of last week prevailed generally. Both loose and cask receipts have been very heavy this week.

The National Association of Traveling Freight Agents is in session at Owensboro.

TWELVE KILLED.

Miners at Cripple Creek, Col., Blown Up.

The Impact of the Explosion Was Heard For Many Miles.

Cripple Creek, Col., June 6.—Twelve miners were instantly killed and eight or ten others badly injured by an explosion that occurred early today at the Independence station of the Florence and Cripple Creek railroad. The cause of the explosion has not been ascertained but apparently it was the result of a plot against the non-union miners on the night shift at the Shurtloff, Findlay and Last Dollar mines who had just finished work and were about to return to their homes. These men had no warning whatever of their impending fate.

The explosion occurred beneath the platform on which they were standing, hurling many of them high into the air, destroying the adjoining depot and rending a great hole in the earth.

The depot was entirely destroyed and the ground on which it stood shows a great gash as if an earthquake had torn up the country and left this yawning cavity to remind the people of a great upheaval. The impact of the explosion was felt in every direction. The miners who stood on the platform were literally shot into the air.

Detectives found the machine which set off the dynamite under the platform. It consists of a revolver and 300 feet of steel wire. The whole district is aroused over the catastrophe and further trouble is feared. A number of fist fights have already occurred. Guns will doubtless soon be brought into play if conditions remain as they are.

COUNCIL ACTS.

Home Telephone Company Are Awarded the City Contract.

The citizens of Hopkinsville have reasons to feel proud of the action of our City Council last Monday night, in awarding the contract for the city phones to The Home Telephone Co. The committee reported that while the Cumberland Bell Company bid \$3 per year less on each phone to be furnished, they had decided that after a careful investigation of the matter, that the Home Company had superior apparatuses and were therefore given the contract at a higher rate.

This commendable action by the City Council is proof to all doubting citizens that the Home Company are installing in our city the finest equipped and best organized system in the State of Kentucky, and our business men and the city in general, by investigating and doing the same as the City Council, can easily solve for themselves the telephone problem.

The Cumberland Bell Company have been tried and tested and found wanting in every particular and when they were asked by our representative men, time and time again to improve their service, they failed to even make an attempt until after the Home Telephone Company began installing a modern system.

The officers of the Home Company are to be commended in the way they have gone ahead to give the people of Hopkinsville the best service in the state, as it not only shows the interest they have in the city's welfare, but also the faith they have in the citizens in patronizing their company to the exclusion of the one who laughed in their faces and tried to force them to use a discarded service because they thought they had them in their power.

Our people are neither blind nor crazy, and the Home Company will receive the support of Hopkinsville citizens as well as the support of the city.

MORE RUMORS

Of Japanese Assaults and Victories.

London, June 9.—According to reports received at Liao Yang from Chinese sources, the Japanese made several sustained and stubborn attacks on Port Arthur on June 6, and were repulsed with severe losses. There are rumors from the same source of a naval battle, in which the Japanese lost four large ships. A report from Mukden, coming to London by way of St. Petersburg, says a Japanese squadron of nine vessels has been bombarding the western coast of the Liao Tung peninsula since June 7. There is no official information to confirm any of these rumors. Official reports from Tokio tell only of small damage to a Japanese ship near Port Arthur, and St. Petersburg dispatches tell of the loss of a Russian torpedo boat, neither incident being connected with a big naval engagement with a big naval engagement.

A banquet was held at Hotel Latham last night at ten o'clock, at which covers were laid for 75 members and guests. Prof. H. C. Smith presided as toast-master and there were after-dinner talks by Miss Katie Manson, Mrs. W. T. Fowler and others.

At the Opera House from 8 to 10 the 1904 class were awarded their diplomas.

Following is a list of the graduates: Misses Katherine Faxon, Lucile Bush, Nannie Reeder and Sallie Barnett, all of Hopkinsville; Miss Georgia Willis, of Rochester, Ky., and Miss Lisle Archibie, of Sloughville, and Messrs. Milton Moore, of Hopkinsville; McNary Hoffman, of Nebo; Ben Salmon, of Iley; Earle Stone, of Earlington; Fred Bailey, of Madisonville.

CARVED HIS MAN.

Colored Employees of Circus Engage in Fight.

One of the colored cooks with Sells & Downs' show became involved in a difficulty with another negro employee of the show here Tuesday and as a result of the trouble the cook cut his man on the face and head with a butcher knife. The wound was able to leave with the circus. The party who did the carving took to his heels and made good his escape.

STRAY BULLET

Came Near Hitting Attorney G. W. Southall.

Mr. G. W. Southall narrowly escaped being hit by a stray bullet fired down West Eighteenth street Tuesday night. He was on his way home when the shot was fired. It was thought that one negro was shooting at another. Mr. Southall has caused a warrant to be issued for the alleged offender. The ball passed pretty close to Mr. Southall's body.

There is more Catarrh in this sec-
tion of the country than all other
diseases put together, and until the
last few years was supposed to be
incurable. For a great many
years doctors pronounced it a local
disease and prescribed local reme-
dies, and by constantly failing to
cure with local treatment, pro-
nounced it incurable. Science has
proven catarrh to be a constitutional
disease and therefore requires
constitutional treatment. Hall's
Catarrh Cure, manufactured by F. J.
Cheney & Co., Toledo, Ohio, is
the only constitutional cure on the
market. It is taken internally in
doses from 10 drops to a teaspoon-
ful. It acts directly on the blood
and mucous surfaces of the system.
They offer one hundred dollars for
any case it fails to cure. Send for
circulars and testimonials.

The Bureau of Forestry has is-
sued a report recommending a new
form of railroad tie, and urging
consideration of treated timbers.
The annual consumption of railroad
ties is 114,000,000, with the demand
each year border to meet. The
Bureau of Forestry recommends
the adoption of a trapezoidal, or
modified half-round tie, with a base
of ten to twelve inches and a top-
bearing surface of six inches,
which, it is said, would distribute
the weight of moving train loads as
effectually as a rectangular tie ten
to twelve inches broad. It is said
that lumbermen can make two ties
of this form from a log which would
furnish but one rectangular tie;
that it encourages the cutting of
large trees and the saving of small
ones until they reach more valuable
size, and permits the utilization of
tops.

A proposed amendment to the
State constitution of Missouri, which
makes it incumbent on railroads to
issue passes to the Governor, Lieu-
tenant-Governor, Secretary of State,
Attorney General, State Auditor,
Treasurer, Superintendent of
Schools, Railroad Commission and
members of the General Assembly,
will be voted on by the voters of the
State next November. At present
the Constitution of the State pro-
hibits the issuance of passes or sale
of transportation at a discount to
the officials enumerated above.

Reports reaching Chefoo indicate
that a combined land and sea attack
was made on Port Arthur June 6.
It is believed the Russian fleet made
a sortie and a naval battle followed.
Reports of an engagement in the
Gulf of Pechili come from a number
of sources. A Japanese correspon-
dent from Tientsin says there are
persistent rumors that the bat-
tle ship Yashima was sunk, but
reports from Admiral Togo as late
as June 6 do not mention any dis-
aster.

The programme for the congress
of arts and science to be held in St.

SUCCESSFUL TEST.

Nine Men Stay Under Sea Twelve
Hours.

The submarine torpedo boat Ful-
ton, which was sunk to the bottom
of the ocean for a test, remained
there over twelve hours. The men
were on duty in watches of two
hours each, the remainder of the
time being spent in reading, play-
ing games and sleeping. All the
members of the crew were in good
condition and appeared to have
rested well. Fresh air was pump-
ed in every four hours. The test
was in every way satisfactory.
Hitherto only six men had gone be-
low for any length of time, but on
the Fulton there were nine men and
they could have stayed in the boat
under water ten days without com-
ing to the surface. The test was
made near Newport, Rhode Island
Tuesday.

GREAT SHOW.

Sells and Downs Give Two Per-
formances to Immense
Crowds.

The Sells & Downs big circus has
come and gone. The show arrived
at an early hour Tuesday morning
and pitched tents in Sharp's field.
Two performances were given and
large crowds attended both of them.
In the afternoon the enormous tent
was taxed to its full capacity and
it was well filled at the night per-
formance.

The show is one of the best on the
road and there was not a bad or
uninteresting feature in the entire
program. All of the old, regu-
lar circus acts are there on the im-
proved line, and are well per-
formed, but the novelties and more
elaborate features are what at-
tracted the greater attention.

The menagerie is very complete,
containing a fine collection of rare
wild beasts. The street parade
was a mile or more long, and was
one of the best ever seen in Hop-
kinsville. The show, in fact, is the
Sells Bros' circus, which has visit-
ed this city before, with many new
and novel features added. Mr.
Wm. Sells, who was one of the Sells
Bros., bought out the show, and
Mr. Downs was taken in as a part-
ner. Sells & Downs have the
reputation of faithfully carrying
out all their advance agent prom-
ises, such as exhibiting all they ad-
vertise, etc., and they certainly
sustained their reputation on the
occasion of their visit to Hopkins-
ville. Their press agent, Mr. M. J.
Dowling, said the Kentuckian a
pleasant call while here. He has
been with the show for several
years and is thoroughly up on his
work, and a most courteous gentle-
man.

The Home Company has made
it possible for all the people of
Hopkinsville to have the con-
venience and luxury of a private

GOVERNMENT LOAN

And Uncle Sam Wants Money
When Due.

St. Louis, June 7, World's Fair
Grounds.—In a letter received by
the Exposition Company to-day,
Leslie M. Shaw, Secretary of the
Treasury, gave formal notification
that if payments on the \$4,600,000
Government loan are not promptly
forthcoming when due, he, as the
guardian of the United States
Treasury, would take charge of the
receipts and collection of fair tick-
ets.

The letter formally reminds the
the Exposition Company of the date
for the payment of the first install-
ment of the loan and incloses a
copy of the rules governing the loan
and repayment. These rules set
forth that the loan of \$4,600,000 was
made to the Exposition Company in
the month of February, March,
April and May, 1904, and that in
return the government is to have a
first lien on the receipts of the fair
from paid admissions and concession
privileges. Payments are to be made
each half month, the first payment
June 15, when 40 per cent. of the
gross receipts from June 1 to June
15, shall be surrendered. Thereafter
at the 1st and 15th of each
month, 40 per cent. of the receipts
for the previous half month shall be
paid, and it is further provided that
after the 1st of July the semi-monthly
payments shall not be less than
\$500,000 each.

EASY SAILING.

For Administration Forces in State Convention.

McQuown Chairman And Beckham, James, Blackburn and McCreary Delegates.

Louisville, June 9.—What promised to be a bitter contest for control of the State organization came up in the Democratic State Convention which met here yesterday. The result of the first struggle, the election of a temporary Chairman, was a decisive victory for the Administration forces, led by Gov. Beckham. Gov. Beckham was elected temporary Chairman by a vote of 817 to 322 over Judge Frank Peake, of Shelby county. The fight against the Administration was led by Senator J. C. S. Blackburn, assisted by Senator McCreary and Congressman D. H. Smith.

When the convention opened State Chairman Young made a lengthy speech, in which he attacked the methods of the Administration workers, but disclaimed any personal animosity toward Gov. Beckham. At the close of Chairman Young's speech Congressman Ollie James, acting for the Administration men, placed Gov. Beckham in nomination for temporary Chairman.

Congressman James' speech was the forerunner of an enthusiastic reception given United States Senator Blackburn when he took the floor to nominate Judge Peake as the candidate of the anti-Administration men for temporary Chairman. Senator Blackburn made a remarkable speech.

Nothing Personal.

Disclaiming any idea of making war on individuals he yet asserted that the Democratic party in Kentucky was falling into the grasp of a machine and out of control of the voters. He declared that he and his associates would contest to the last the effort of the administration men to elect Lewis McQuown Chairman of the State Central Committee. Passing to National affairs he spoke in favor of an un-instructed delegation.

The overwhelming vote for Gov. Beckham for Temporary Chairman put his adherents in full control of the temporary organization. Gov. Beckham, in his speech accepting the temporary chairmanship, announced that the fight for the con-

trol of the party was not of his seeking.

Sarcastic Reference.

He denied Senator Blackburn's assertion that a machine and not the voters controlled the party, and sarcastically stated that, of course, no one believed Senator Blackburn, in making his fight was seeking to build up a machine for himself.

The work of organizing the committees was rapidly proceeded with and the temporary organization having been completed the convention took a recess until 8:30 o'clock. The first business before the convention at the evening session, the report of the Committee on Credentials, did not provoke the struggle that was expected and the four contests passed upon received a unanimous report and were unanimously adopted.

Short But Lively.

There was a short but spirited debate in the Committee on Resolutions over the platform, five of the members demanding the reaffirmation of the Kansas City platform. In order to prevent a contest on the floor of the convention a compromise was affected by adopting the following opening clause: "The Democratic party of Kentucky in convention assembled affirms its faith in and adherence to the great and fundamental principles of Democracy as expounded by Jefferson, exemplified by Jackson and ably defended by Bryan."

The Committee on Permanent Organization at midnight presented a majority and minority report. The majority report recommended the selection of Senators Blackburn, and McCreary, Gov. Beckham and Congressman Ollie James as delegates at large to the National convention. The report recommended the election of Lewis McQuown as Chairman of the State Central Committee.

The minority report, while concurring with the majority report as to the delegates at large, called for the election of Congressman James N. Kehoe as chairman.

After much wrangling, the majority report was adopted without change.

The temporary organization was made permanent.

The delegates are only instructed to vote as a unit. Congressman Shirley introduced a resolution to instruct for Parker, but it was voted down and the convention adjourned at 1:45 a. m.

BIG DEAL.

Two Coal Mines In Hopkins County Sold.

Madisonville, Ky., June 8.—Perhaps one of the largest coal mine deals ever made in this county has just been completed. Mr. L. E. Haydon, of Hopkinsville, selling to William Lynch, of Dawson, two coal mines, a big company store at Mannington, and, in addition to this, about 1,200 acres of fine timber and mineral lands in and around Mannington.

The consideration is not known, but it is believed the purchaser paid something near \$100,000 for his newly acquired property.

Mr. Lynch will place mills on the land to work up the timber and will soon have both in operation. He will also lay off a new town at Mannington and open it for settlement.

Two more pitched battles between union miners and soldiers were fought in the Cripple Creek mining region Tuesday. At Dunsville one miner was killed and fourteen prisoners were taken. In a fight near Victor seven miners were captured. Martial law has been declared and a commission has been appointed to try the prisoners. The blowing up of a railroad platform by dynamite Monday caused the death of thirteen non-union miners, who were waiting for a train. Although there have been 15 or 20 deaths growing out of the strike riots.

The Home Company has the only franchise that was sold and ratified by the council and approved by the people.

DEATH OF MRS. LOCKERT.

She Had Been a Great Sufferer For Years.

Mrs. James Lockert died at her home near Fairview, after an illness of long duration. She was thirty-eight years old, a member of the Baptist church, and had been an invalid for three years. A husband and two children survive. The interment took place in the Jesup burying ground.

HOPKINSVILLE BOY

Among Those Who Successfully Passed Examination.

A dispatch from Montreal says that Dr. Parkin has received, at McGill University, the report of Oxford examiners upon the papers of candidates examined on April 13 and 14 throughout the United States and Canada which have no colleges affiliated with Oxford. Altogether, 120 candidates have passed from the different states and territories of the union, and thus become eligible for election as Rhodes scholars. Among them is Clark E. Tandy, of Kentucky.

Clark Tandy is a son of Mr. W. T. Tandy, of this city. He will have the advantage of a full course in Oxford college. His many Hopkinsville friends will learn with pleasure of his success in winning the Cecil Rhodes scholarship, as he is an exceedingly bright young man and in every way worthy of the honor.

FAVORITE FRUIT.

Good Prospect for Big Peach Crop In Georgia.

Parties from the North who have been looking over the peach orchards in the South claim that there has been a wonderful spread of the culture in Georgia, and that there is now the best prospect of a big crop that the southerners have had for some years. The past season has been particularly favorable to fruit growing. Owing to the condition of the atmosphere, the sap did not rise in the trees prematurely, and as a result the late freezes have been safely passed.

It is claimed that there are now in the State of Georgia no less than 2,000 peach growers, and that 8,000,000 trees will bear fruit this season. In 1898 the shipments reached 2,500 cars, but last year they dropped down to a thousand. It is estimated that the state will send out of its big orchards no less than 5,000 cars.

LUNG TROUBLE

Causes Death of Mr. W. B. Weeks, of Paducah.

Mr. W. B. Weeks, a prominent wholesale grocer of Paducah, who had been in Asheville, N. C., for his health, died at that place Monday night, of lung trouble.

Mr. Weeks married Miss Willie Wallace, of this city, about twelve years ago, and is survived by a widow and two children. He was a member of the Presbyterian church, and a Mason.

Mr. R. H. DeTreville and wife, Mr. W. T. Cooper and wife and Mrs. Cora Wallace, of this city, will attend the funeral this afternoon in Paducah.

WILL PROBATED.

Dr. Wheeler Left All His Estate to His Daughter.

The will of the late Dr. W. G. Wheeler has been probated. He bequeathed all of his property to his daughter, Mrs. Emily W. Elliott, of Owensboro. John D. Elliott was named in the instrument as executor, but as he is now dead, an administrator had to be appointed, and Mr. William Elliott, his brother, of Henderson, was named. He has qualified with Messrs. J. F. Garnett, T. J. McReynolds and Merriweather Mason were appointed appraisers. Mrs. Emily Elliott as surety.

LOCALS WON

The Game From Henderson Played There Wednesday.

Some Fine Ball Playing to be Expected on Hopkinsville Diamond Next Week.

The next ball game on the local diamond will be played between Clarksville and Hopkinsville, June 17. This game will be the first of a series of three to be pulled off here between these clubs. Clarksville has a fast team this season and Hopkinsville also has an aggregation that can play ball and these games it is safe to say, will be most interesting contests.

The local team is now at Henderson and played the first of three games Wednesday, defeating the Hens by the score of 8 to 6. They played the second of the series yesterday and today the third will be played. Hopkinsville plays at Cairo next, commencing a series of games at that place tomorrow. From there they come to Paducah for three games and will then return here for the contests with Clarksville.

Hopkinsville lost the game at Paducah Monday by the score of 7 to 3. The locals did fine stick work, but lost the game on errors. At Henderson the same day the Cairo team was shut out, the score being 2 to 0 in favor of the Hens, who put up an errorless game. At Vincennes the Clarksville club was also shut out by the score of 9 to 0. Vincennes had no errors charged up. They slugged the ball all over the field and had things their own way from start to finish. Paducah also defeated the local club on Tuesday at Paducah. The score was 8 to 5. Clarksville on Tuesday, took the concluding game of the series from Vincennes by the score of 2 to 1. Henderson lost to Cairo at Henderson the same day, the score being 11 to 2. At Vincennes Wednesday Cairo won by the score of 5 to 1. Clarksville, the same day was victorious, defeating the Pads by the score of 4 to 1.

William Ranbarger, the local's short stop, jumped his contract while the team was playing at Paducah and has gone to St. Louis. Hopkinsville has signed Jesse Moore, of Arkansas, and he joined the team at Henderson yesterday. He comes highly recommended as a ball player. He is a catcher of note and is also said to be a fine first baseman.

Mullen has been sold to the Cotton States league and left for Greenville, Miss., yesterday.

The Home Company has a full metallic copper wire system, the only copper wire system in the city.

CIRCUIT COURT.

Petit Juries Made Up for the June Term.

Following is a list of the petit jurors selected for this term of court: John Cobb, W. T. Cooper, B. Underwood, Jas. Jones, W. A. Fritz, Geo. Shelton, W. W. Ralston, Thos. Cavanaugh, J. R. Harrison, Sam Wright, John East, Lee Walker, Thos. Gilkey, Clyde King, Jas. Crow, Bud Moseley, R. F. Ralston, L. M. Lowry, W. C. Gross, Millard Gilliland, W. H. Elgin, C. A. Carter, Ed Allen and F. P. Martin.

There was no session of court Wednesday, the day of the State convention. The judge and commonwealth's attorney Smith returned to the city yesterday morning and business was resumed. About a dozen misdemeanor cases were filed away with leave to reinstate and several cases were continued to the fall term.

The jury in the case of Garfield Callie, charged with carrying a concealed deadly weapon, returned a verdict of guilty. He was fined \$25 and given ten days in jail. Motion for a new trial was made. The case of Charles Finch and Ed Mosely, the Pembroke negroes charged with murder, was set for yesterday, but will not be called until to-day.

The Home Company has the only underground system in the city.

HOT WEATHER, NERVOUS WOMEN.

BLANCHE GREY.

MISS BLANCHE GREY, a prominent young society woman of Memphis, Tenn., in a recent letter from 174 Alabama street, says:

"To a society woman whose nervous force is often taxed to the utmost from lack of rest and irregular meals, I know of nothing which is of so much benefit as Peruna. I took it a few months ago when I felt my strength giving way, and it soon made itself manifest in giving me new strength and health."—Blanche Grey.

Passed Resolutions.

Resolutions passed June 6th, 1904,
by Bardstown Baptist church for
former pastor, John O. Rust.

"Whereas, The mortal life of our
brother and former pastor, John O.
Rust, has grown into the life eternal
and immortal, and his spirit has
found rest with his loved Redeemer:

We, the members of Bardstown
Baptist church, meet to pay tribute
of love and affection to our dead
and dedicate a page to his memory.

John O. Rust was pastor of this
church from 1890 to 1895. He came
to us a young man from the seminary
and this was his first, regular
pastorate. From the first he was
successful, by his earnest and in-
teuse preaching, his sympathy and
love for his fellow men, building up
and strengthening our church and
giving it new impetus. Few indeed
of the men in the Baptist ministry
possessed his gift of statement and
eloquence of speech. He gained
and held the honored distinction of
the love and esteem of a whole com-
munity. Where he left us to make
his home in Nashville we remember
with loving pride that he loved to
return to see us. And we felt that
he was still our John O. Rust.

Resolved, That we deeply feel
his loss.

Resolved, That we extend our love
and sympathy to his beloved wife
who labored with him for the good
of this church, and that we invoke
the blessings of our Lord upon her
and family.

Resolved, That these resolutions
be spread upon a page of the church
book, furnished to the papers, and
that a copy be sent to his bereaved
family.

Life.

The poet's exclamation: "O Life!
I feel thee bounding in my veins,"
is a joyous one. Persons that can
rarely or never make it, in honesty
to themselves, are among the most
unfortunate. They do not live, but
exist; for life implies more than
to be. To live is to be well and
strong—to arise feeling equal to the
ordinary duties of the day, and to
retire not overcome by them—to
feel life bounding in the veins. A
medicine that has made thousands
of people men and women, well and
strong, has accomplished a great
work, bestowing the richest bless-
ings, and that medicine is Hood's
Sarsaparilla. The weak, run
down, or debilitated, from any
cause, should outfit to take it.
It builds up the whole system,
changes existence into life, and
makes life more abounding. We
are glad to say these words, in its
favor to the readers of our columns.

SIGNS OF EARLY SPRING.

Some Seen by Prof. Von Joggelby
from His Study Window—
Backyard Scenes.

"I know when spring is at
hand," said Prof. von Joggelby,
according to the New York Sun,
"by the things I see in the range
of backyards in view from my
study window."

"In the sheltered-corner of some
of these yards, where it is pro-
tected from the cold winds and
where it gets not only the direct,
but from the sheltering fences,
the reflected rays of the advance-
ing season's warmer sun, the
grass begins to grow green while
yet there may be in other parts of
the yard patches of snow and ice.

The eager grass responds to the
first call of spring.

"And so in the dwellers in the
houses to which these yards are at-
tached. On that same day in some
of these yards there were people
out raking up the winter's debris;
the scraps and pieces of paper,
and the twigs and the sticks, left
on the ground after the melting
away of its winter covering. They
had sensed the approach of spring
and they were cleaning up; and on
the first occasion, anyway, they
were moved to do so not so much
by a desire for neatness and trim-
ness in their several yards as by
an inward prompting to get back
to them once more; to mother
earth.

"It doesn't matter to me what
the ground hog may say, or how
many other indications may
point, I always know when spring
is at hand by these two signs, by
the coming green of the tufts of
grass in the sheltered corners of
my back yard, and by the appear-
ance of my neighbors at work
cleaning up."

NOT THE ORIGINAL BOAT.

Shell Seen by Visitors at Columbia
Not the One in Which Her
Crew Won at Henley.

Columbia students and gradu-
ates will be disappointed to learn
that the old shell hung in the uni-
versity trophy room on Morning-
side Heights is not the original
boat in which the Columbia crew
won the Visitors' Challenge cup
at Henley in 1878. The shell, says
the New York Sun, occupies the
most prominent position in the
room and has been pointed out to
every visitor as the only American
boat named by a college crew to
win at Henley.

The first doubt as to the authen-
ticity of the boat was expressed
several months ago by Francis
Sedgwick Bangs, a trustee of the
university, who has always been
prominent in Columbia's rowing
interests. Subsequent investiga-
tions have shown that on the day
before the Henley crew sailed for
America Capt. Goodwin sold the
two shells which Columbia had
taken to England to Cambridge
university, where they were used
till a very few years ago, when
they were broken up.

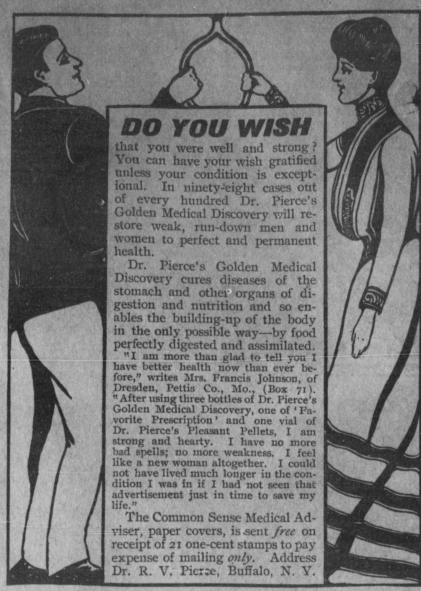

There is some consolation for
the Columbia men in the fact that
the oars used by her crew in this
race, which are also on view in
the trophy room, are the real ones
brought back by the crew and sub-
sequently presented to the uni-
versity.

The Summer Season.

When one reflects upon the
delightful weather which pre-
vailed so generally in October,
says Four-Track News, and the
even more perfect weather in No-
vember, it naturally calls forth the
question, "why do we call the 'sum-
mer season' from July 1 to Sep-
tember 1?" It is absurd! June
and September—even October
and often November gives us more
delightful weather than July and
August. I, for one, vote unani-
mously for a longer summer sea-
son, for a fuller period in which
to enjoy the beauties of nature,
for nature is so varied in her
moods, and so lavish with her
charms that she deserves more of
our attention, and the more atten-
tion we bestow the more we learn
to admire her every phase and
fancy, and the more we admire
the better off we are, for every in-
fluence which nature exerts is for
the good.

Another List of Weddings
Occurring This Week.

Hopkinsville Woman Married to
Atlanta Man—Another Couple
Wedded in Clarksville.

Mr. Geo. W. Jefferson, of Atlanta, Ga., and Miss Olga A. Pursley, of this city, were married in St. Louis at 4 o'clock Wednesday afternoon. The happy event occurred at the Piedmont hotel. The bride is a daughter of Mr. J. W. Pursley, who resides on West Seventeenth street. She met Mr. Jefferson in Nashville Tuesday evening, by appointment, and they left for St. Louis at 3:30 Wednesday morning, passing through Hopkinsville at 5:55, and reaching their destination shortly after noon. They will spend about ten days at the fair, before going to Atlanta, where they will reside.

The groom is book-keeper for a wholesale paint firm in Atlanta and has been living in that city for three years. He is a native of Russellville, Ky., and for several years lived in Trigg county. He is a nephew of Mr. D. H. Armstrong, of near this city.

Leaham-Welker.

Mr. John Leaham and Miss Mariah Welker, young people of near Indian Mound, Tenn., eloped to Cadiz Tuesday and were married. Rev. I. N. Strother, of the Baptist church, performed the ceremony.

Monks-Graves.

Mr. Allison Graves, son of the late Otto Graves, formerly of this city, and Miss Nell Monks, of Pewee Valley, were united in marriage Monday at the home of the bride. They will make their home in Louisville, where the groom is engaged in the tobacco business.

Twyman-McCord.

Mr. Morris Twyman, son of Mr. J. K. Twyman, the Main street merchant, and City Councilman, and Miss Ethel McCord, of near Kelly, were married in Clarksville Monday night. The ceremony was performed in the Arlington Hotel by Rev. J. H. Barrie. The young people were accompanied by Mr. Booth Morris and wife. The bridal party returned home the same night. The groom is a promising young business man and is quite popular. His bride is a young woman possessed of much beauty and enjoys a wide popularity in the social circles of North Christian.

Jones Goode.

Rev. H. H. Jones, of near Gracy, and Miss Portia Goode, daughter of Mrs. Rachel Goode, of this city, were married at the home of the bride's mother, corner Second and Virginia streets. Rev. E. D. Ryan, of Crofton, officiated. The Rev. Goode has charge of the Kirkmansville circuit of the M. E. church. He moved to this section from Green county recently.

INCREASED TWENTY CENTS.

Tax Levy Placed at \$1.45 For
All Purposes.

The City Council has found it necessary to make an increase of 20 cents in the tax levy for 1904. The rate some years ago was reduced from \$1.50 to \$1.25 and the lower amount has been found inadequate. The present levy is 50c for schools, 75c for general purposes and 20c for interest on bonds, making \$1.45 on \$2,645,705. The white tithes are 980 at \$3 and the colored 866 at \$1.50 poll tax.

The Home Company have got the telephone and the system for the people.

DAVID AND GOLIATH
TO DATE

Though this Giant Trust, the International Binder Trust looks threatening and dangerous to the farmers, yet if they will only stand by the

OSBORNE,

Which is not in the trust, the International will go to pieces in one more season. David will do up Goliath. Don't listen to the false statement that the Osborne is in the trust. If it were, its makers would not allow us to fight the trust. We would have to let up or lose the agency. Such statements are ugly. The meanest thing that can be said about a machine is that it is in the trust. The fellows whose binders are in the trust are like the fox that had his tail cut off. The Osborne is fighting the trust from Maine to California and will win.
